

Discover Vienna: Sustainable Technologies & Finance

25.-29.11.2024

Looking to discover new opportunities for your startup? Vienna is the place to be. Apply by **October 6th, 2024**, to join the Discover Vienna programme designed by the Vienna Business Agency specifically to help you explore Vienna's business landscape and grow your professional network.

Get an insider's view of Vienna's startup ecosystem. Learn about the local innovation environment, identify opportunities, and explore how Vienna can serve as a gateway to European markets, allowing you to grow your business network beyond borders.

The programme is targeted at international startups* and scaleups which

- are not older than 8 years old,
- are beyond prototype stage,
- work on impactful solutions in the fields of...
 - GreenTech & Sustainable Energy
 - Sustainable applications in Robotics, Quantum Technologies or Space/earth Exploration
 - Sustainable Finance or Investment models (e.g. environmental/green investments, social banking, financing schemes, etc.)

The programme provides you with:

- accommodation between 25.-29.11.2024 in Vienna
- Intro to the Viennese Innovation ecosystem
- access to [Future Forward](#) on 28.11.2024
- networking opportunities with local startups and international peers

Final dates and sessions will be announced following confirmation of participation.

Vienna Business Agency believes that diversity drives innovation, and we're committed to supporting startups that reflect a wide range of perspectives. Furthermore, the programme aims at being an inclusive and barrier-free experience for everyone. If you need any special assistance, please share your needs with us in the application form.

Criteria and application process:

All applications will be evaluated after the application deadline.

Selection criteria are based on the achieved traction, motivation and fit of the startup to the topics of the call and programme.

*international startups are all companies not founded or based in Austria

Coverage and Disclaimer
